

PRAISE THE LORD, O MY SOUL

PSALM 103

I. Praise for God must originate in our souls (Psalm 130:1-2).

- Why must praise be a decision of our souls?
- How can we better 'will' significant periods of prayer into our days?

II. Praise for God makes known His amazing blessings (Psalm 103:3-6).

- What amazing blessings have you seen that move you to praise?
- If we are busy using our tongues to praise God what will we avoid (James 3:9-10)?

**III. We praise God for
His amazing love that
forgives our sins
(Psalm 103:8-12).**

- Of all the amazing gifts we have received from God, which is the greatest?
- How amazing is God's forgiveness?

**IV. We praise God
when we are
absolutely awed by
Him (v.13-18).**

- **What have you seen God accomplish that totally amazes you?**

- **How much time have you spent this week praising Him for what He has done?**

V. Our purpose for living is centered in heartfelt praise (v.19-22).

- **If the purpose of all creation is to praise God, then what are we to do?**

- **What changes do you need to make in your day to set aside time for praising God?**

**Call to Action: To praise
the LORD regularly
from our inmost being.**

- Are we praising God from our own soul?
- Is our praise whole-hearted?
- For what blessings have you been praising God?
- Are you praising Him for your forgiveness?
- Do you sing like you are absolutely awed?
- How will our praising change our actions?

-How can we help?
