

# GRACE IS A PLACE TO LIVE

**ROMANS 5:1-5**

**I. By faith we have the opportunity to live in grace (Romans 5:1-2).**

- **What is the role of faith in our justification?**
- **In what sense does faith provide our introduction into grace?**

## **II. Living in grace allows us to have peace and hope (v.1-2).**

- What peace is available to those living in grace, but is not available to legalists?**
- What are the source and the extent of hope for those who are living in grace?**
- How would you describe your level of hope in Christ?**

### **III. Living in grace enables us to rejoice and grow through our trials (v.3).**

- **How do grace and law-keeping differ in their view of trials?**
  
  
  
  
  
  
  
  
  
  
- **How can our trials be seen as an avenue of God's grace?**

# IV. Living in grace, leads to a transformation of our character (v.3-4).

- What changes to a legalist's character are accomplished through trials?
- When you are living in grace, how does 'patience through trials' develop your character?

**V. Living in grace involves the Spirit pouring God's love within us (v.5).**

- **How does God's love within us make sure that our hope doesn't disappoint?**
- **What is the significance of the gift of the person of the Holy Spirit?**

**Lesson Aim: To diligently live in the grace of God so that He can create His nature within us.**

- If persecuted Christians in Rome enjoyed peace with God, how can we?
- What will help you rejoice in your trials?
- How are your trials helping you to grow a more Christ-like character?
- How can you better allow God to pour His love into your heart?

**-How can we help?**
