- Why does God link loving the LORD with obeying Him? (Galatians 5:6)
- How do godly actions make you stronger?
- For what purpose was God strengthening His obedient people?

II. Remember what God has done and teach the children (v.2-7, 18-21).

- Why is it important for us to remember lessons that younger people don't know?
- How diligently are we to be teaching godly truths to the children?

III. Love and serve God with all your heart and soul and be blessed (v.13-15).

- **Why must we love and serve with all our emotion and with all our will?**

- **What blessings come our way when we serve God this completely?**

IV. Be careful to observe and hold to God's laws or be enticed (v.16, 22-23).

- To keep from being enticed away from God, how do we need to be careful?
- What happens in our lives when we truly hold fast to God?

V. There is a way of blessing and a way of cursing (v.26-29).

- Why is 'the covenant of blessings and cursings' so foundational for God's people?
- Why did God want this covenant implemented on such a grand scale?
- How can we impress the children with the importance of this covenant?

Call to Action: To display wholehearted love for God in willful action.

- What is lacking in our love for God when we don't obey?
- What do you remember that you should teach to a child?
- How strongly do you will to serve God?
- How can that will protect you from temptation?
- Is your life on Mt. Gerizim?
-How can we help?
