Ladies, we are so excited to have you join us for a day of inspiration and fellowship! Our speakers are Jackie Harding and Rosemary Williams, who will share with us their insights from God's Word. We will offer a light continental breakfast during registration before our program starts. After our morning session, we will enjoy a light lunch served to us by the gentlemen of our congregation. There will be door prize drawings and everyone will take home a little "something" with which to remember the day! Please note that there is no charge for you to attend this wonderful event that we have dedicated to our Lord! We look forward to seeing you here!
